A FEW WORDS ABOUT GRADING

Grading is an Art and NOT a Science. It is subjective in nature but is governed by standards and parameters garnered by our many years in business. It includes eye appeal among other things.

Adjectival vs. Numerical

Uncirculated or Brilliant Uncirculated = Mint State 60 to 62
Choice Uncirculated = Mint State 63
Very Choice Uncirculated = Mint State 64
Gem Uncirculated = Mint State 65
Superb Gem Uncirculated = Mint State 66 to 67

The same adjectives apply to Proofs
